Limited Lifetime Warranty

Three H Furniture Systems Limited ('Three H') provides a limited lifetime warranty on all products sold to the original purchaser by a Three H authorized dealer. Three H warrants that its product will remain functional¹ for as long as the original purchaser owns the product. The obligation of Three H under this warranty is to repair or replace with a comparable product or component determined to be defective by Three H at no cost to the original purchaser, FOB purchaser's destination.

¹ Remain Functional refers to the products ability to fulfill its original purpose or function.

Updated November 2018

EXCEPTIONS TO THIS WARRANTY MAY INCLUDE:

- Three H provides a full warranty on our bullnose, wavecrest and prestige wood trim and finish for a period of 3 years after date of delivery. After 3 years, the warranty applies to the wood edge only. General wear and fading of the finish after a 3 year period is not considered a defect.
- Three H provides a full warranty on our Workshelf wood legs and finish for a period of 3 years after date of delivery. After 3 years, the warranty applies to the leg only. General wear and fading of the finish after a 3 year period is not considered a defect.
- Variation in laminate finish characteristic including color and texture is not considered a defect.
- All fabrics including tackboards, panels & cushions are warranted for a period of 5 years after date of delivery.
- All lighting products including bulbs, tubes, ballasts and LEDs do not carry a warranty.
- All power related products & components carry a 1 year warranty.
- All electric height adjustable components carry a 5 year warranty.
- Product & components which are not directly manufactured by Three H. In this case warranty is determined by what is offered from the manufacturer of the defective product or component.
- Product that is not sold by a Three H authorized dealer.
- Product that is not installed & maintained in accordance with Three H's guidelines & instructions.
- Product that is damaged by the end user due to misuse, accident, abuse, negligence or shipping.
- Incidental wear to product including scratches & dents occurring from everyday use.
- Product that has been altered or re-configured in any way prior to written approval by Three H.
- Product which has received excessive exposure to U.V rays, heat, water or harsh chemicals.
- Product that has been damaged due to re-installation without the assistance of an authorized Three H dealer or installer.
- Product that has been subject to conditions that exceed the BIFMA/ANSI standards applicable to that product.
- Product that is being used for rental purposes.
- Customers own material (COM) provided at the request of the user is not covered by the Three H warranty.

WARRANTY CLAIM PROCEDURE

- All warranty claims must be authorized by Three H prior to approval.
- Claims can be directed to Three H's warranty & replacement officer by contacting 1.800.767.5374 or by emailing claims@three-h.com.
- Claims must include original order number, as well as a description of return request.
- Three H reserves the right to investigate any of the above mentioned exceptions, request digital photos of the product in question, as well as proof of original ownership prior to warranty approval.

THIS WARRANTY LIABILITY IS LIMITED TO THE REPLACEMENT OF PRODUCT. THREE H WILL NOT BE HELD LIABLE FOR ANY PERSONAL OR PROPERTY DAMAGE AS WELL AS ANY CONSEQUENTIAL OR INCIDENTAL DAMAGE. THIS WARRANTY EFFECTIVE JANUARY 2017 SUPERSEDES ALL PREVIOUS WARRANTIES OFFERED BY THREE H FURNITURE SYSTEMS LIMITED.

CARE & MAINTENANCE

- Three H laminates can be easily cleaned with warm water and mild soaps. Do not use cleansers which contain abrasives, acids or alkalis.

Cleaners such as Lysol® Brand Clean & Fresh Multi-Surface Cleaner, Lysol® Disinfectant Spray, Clorox™ Disinfecting Wipes, Clorox™ Everest, etc.* can be safely used on melamine laminates to protect against COVID 19.

* Products containing Quaternary Ammonium are recommended for melamine surfaces

* Full EPA List N available at: <https://bit.ly/2UEQOUc>

Environmental Sustainability

SCS Indoor Advantage Gold - Indoor Air Quality

Three H caseloads and MultiStations OS system products meet LEED requirements for EQ Credit: Low-Emitting Materials, Furniture.

RECYCLED CONTENT

Made in North America using materials containing high levels of recycled content (including the main component - laminated CARB compliant commercial grade particleboard), which contributes to LEED credits.

CONSTRUCTION WASTE MANAGEMENT

Component packaging materials consist largely of high recycled content cardboard and re-used wood pallets both of which are easily divertable from landfill and contribute to recycling and reuse programs.

DAYLIGHT AND VIEWS

A broad range of product sizing, custom specifiable components and the integration of glass panels accommodates low profile workstation layout and designs.

RESOURCE REUSE - FURNITURE AND FURNISHINGS

Easily expandable, reconfigurable and durable, Three H caseloads and MultiStations OS system products can be re-purposed to serve a broad range of applications throughout its useful life and contribute to Resource Reuse in future projects. The quality of components, simplicity of design, and enhanced reconfigurability combine to make Three H Furniture Systems a valuable, sustainable solution for the office today and tomorrow.

SPECIFICATIONS

Edge Options

Edges will be finished to match the selected worksurface laminate.
We currently carry 20+ Standard Laminate finishes and 4 Textured Laminate finishes.

Learn more at three-h.com/finishes

Conference

Conference Tables are 1½" thick multisectional tops, meaning the grain will run across the depth of the surface. Bases are hollow and constructed of laminate allowing for wire routing from a floor power feed. The Deluxe and Medium Bases have a brushed aluminum trim at the very bottom of the base. Glides for leveling the table are provided with all bases.

3mm PVC

Available with two edge profiles: 3mm PVC and Double Knife Edge, the top edge is finished with 3mm PVC with a painted reverse bevel to complete the Knife Edge.

Within CET Designer, our symbols are shown with 3mm PVC Edge.

Double Knife Edge

Occasional Tables, Training Tables, Highway Tables, Meeting Tables, Media Tables

All Tables are 1" thick, the grain will run down the length of the surface. Bases vary, please see the previous specifications section. Glides for leveling the table are provided with all bases.

Within CET Designer, our symbols are shown with 3mm PVC Edge.

Available with two edge profiles: 3mm PVC and Knife Edge, the top edge is finished with 3mm PVC with a painted reverse bevel to complete the Knife Edge.

3mm PVC

Knife Edge

Accessories

Mobile Lecturns and Media Carts are available with 3mm PVC. The body of the Mobile Lecturn is laminate with a vertical aluminum decorative strip on the sides. The legs are painted silver on casters.

Within CET Designer, our symbols are shown with 3mm PVC Edge.

3mm PVC

Finish Options

Edges will be finished to match the selected worksurface laminate.

We currently carry 20+ Standard Laminate finishes and 4 Textured Laminate finishes.

Power Specifications

These are the recommended applications by Three H, for additional options, please contact Three H Customer Service.

DELUXE POWER MODULE

The Deluxe Power Module is double sided/ in-surface mounted. Each side has its own plug-in 120"L power feed with a UL Listing.

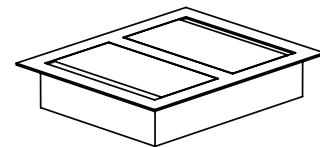

Technology may remain connected while lid is closed, concealing connections. This unit comes in matte black, matte white and silver.

Our standard configuration is: 4 Power Outlets, 2 USB Dual Chargers and 2 Open Ports, customizable configurations available upon request.

The Deluxe Power Access is available as a single center location or centered over each base within the Conference Table options.

When there are two or more units, we offer the power modules in a daisy-chain connection, allowing for one direct infeed location. This infeed location is concealed within one of the base supports.

Hardwire infeed is available upon request from Customer Service.

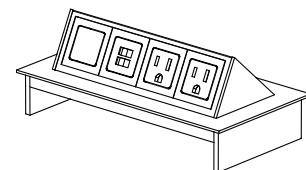

POPUP POWER MODULE

The Popup Power Module provides flexible desktop power and data solutions. Retractable and durable construction, this unit is highly functional with a fluid, one touch door that remains open during use.

It has a single plug-in 120"L power feed with a UL Listing. This unit comes in matte black, matte white and silver.

Our standard configuration is: 2 Power Outlets, 1 USB Dual Charger and 1 Open Port, customizable configurations available upon request.

Hardwire infeed is available upon request from Customer Service.

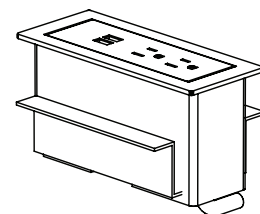

FLUSH MOUNT POWER MODULE

The Flush Mount Power Module offers a completely integrated single-piece cover, eliminating dust and debris catching in grooves.

It has a single plug-in 120"L power cord with a UL Listing. This unit comes in matte black, matte white and silver.

This unit is only available in one configuration, however it is available with two other mounting applications upon request.

2 Power Outlets, 2 USB Dual Chargers

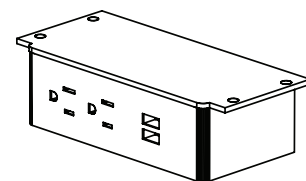

UNDER SURFACE MOUNT POWER MODULE

The Under Surface Mount Power Module offers a completely integrated single-piece cover, eliminating dust and debris catching in grooves.

It has a single plug-in 72"L power cord with a UL Listing. This unit comes in matte black, matte white and silver.

This unit is only available in one configuration, however it is available with two other mounting applications upon request.

2 Power Outlets, 2 USB Dual Chargers

CUSTOM POWER MODULES

If you would like to provide your own Custom Power Module for any of our tables, please contact Three H customer service of the cut out size and they will gladly assist with quoting your table.

Wire Management

These are the recommended applications by Three H, for additional options, please contact Three H Customer Service.

CONFERENCE

All three base variations available for the Conference tables include built in wire management.

Deluxe Base / Medium Base: Hinged access door on each rectangular panel base with horizontal J channels on the interior of the laminate stretcher connecting the rectangular bases.

Narrow Base: Hollow interior of the Narrow base with a cut out at the top of the leg allows for cables to be fed from the ground to the underside of the table top with horizontal J channel on the interior of the laminate stretcher connecting the laminate slab bases.

MEETING

Some of the base options available for the Meeting tables have wire management built into the base, while others will require an additional vertical wire manager.

Laminate, Slim: Horizontal J channels are provided to attach to the underside of the table top, no built in vertical wire management, but we recommend CordJacket™, see three-h.com/cordjacket

Laminate, Narrow: Hollow interior of the Narrow base with a cut out at the top of the leg allows for cables to be fed from the ground to the underside of the table top with horizontal J channels on the interior of the laminate stretch connecting the laminate slab bases.

Laminate, Medium with Frame Leg: Hinged access door on the rectangular panel base with horizontal J channels on the interior of the laminate stretcher connecting to the frame leg.

Metal, Y Frame: Horizontal J channels are provided to attach to the underside of the table top, one built in vertical wire management located on one leg

WorkShelf: Horizontal J channels are included on the interior of the frame work supporting the top table, no built in vertical wire management, but we recommend CordJacket™, see three-h.com/cordjacket

HIGHWAY

Laminate, Medium: Hinged access door on each rectangular panel base with horizontal J channels on the interior of the laminate stretcher connecting the rectangular bases.

MEDIA TABLE

Laminate Base: Hollow interior of the Laminate Base with a cut out at the top of the leg allows for cables to be fed from the ground to the underside of the table top with horizontal J channels on the interior of the laminate stretcher connecting the rectangular bases.

The 71"H back offers two options to access the concealed wires, either an open back or an access door. Cables will be fed on the underside of the table to a grommet under the table in the back panel.

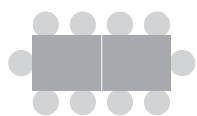

TRAINING TABLE

For vertical wire management, we recommend CordJacket™. Horizontal J channels can be added upon request at a small upcharge to the underside of the surface.

BASE STYLES

4"W Narrow Base

1"W Slim Base

Medium Base with Frame Leg

Workshelf Base

Metal, Y Frame

Some of the base options available for the Meeting tables have wire management built into the base, while others will require an additional vertical wire manager.

Laminate, Slim: Horizontal J channels are provided to attach to the underside of the table top, no built in vertical wire management, but we recommend CordJacket™, see three-h.com/cordjacket

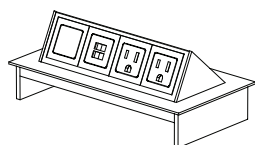

Laminate, Narrow: Hollow interior of the Narrow base with a cut out at the top of the leg allows for cables to be fed from the ground to the underside of the table top with horizontal J channels on the interior of the laminate stretch connecting the laminate slab bases.

Laminate, Medium with Frame Leg: Hinged access door on the rectangular panel base with horizontal J channels on the interior of the laminate stretcher connecting to the frame leg.

Metal, Y Frame: Horizontal J channels are provided to attach to the underside of the table top, one built in vertical wire management located on one leg

WorkShelf: Horizontal J channels are included on the interior of the frame work supporting the top table, no built in vertical wire management, but we recommend CordJacket™, see three-h.com/cordjacket

POWER OPTIONS

Popup Power

The Popup Power Module provides flexible desktop power and data solutions. Retractable and durable construction, this unit is highly functional with a fluid, one touch door that remains open during use.

It has a single plug-in 120"L power feed with a UL Listing. This unit comes in matte black as default, with additional options of matte white and silver.

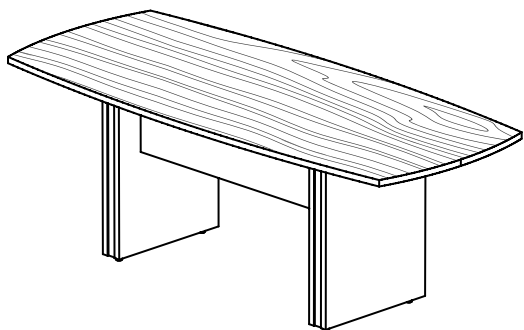

Our standard configuration is: 2 Power Outlets, 1 USB Dual Charger and 1 Open Port, customizable configurations available upon request.

Hardwire infeed is available upon request from Customer Service.

BASE STYLES

30"H Laminate Base

36"H Laminate Base

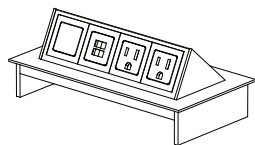

42"H Laminate Base

Laminate Base: Hollow interior of the Laminate Base with a cut out at the top of the leg allows for cables to be fed from the ground to the underside of the table top with horizontal J channels on the interior of the laminate stretcher connecting the rectangular bases.

The 71"H back offers two options to access the concealed wires, either an open back or an access door. Cables will be fed on the underside of the table to a grommet under the table in the back panel.

POWER OPTIONS

Popup Power

The Popup Power Module provides flexible desktop power and data solutions. Retractable and durable construction, this unit is highly functional with a fluid, one touch door that remains open during use.

It has a single plug-in 120" power feed with a UL Listing. This unit comes in matte black as default, with additional options of matte white and silver.

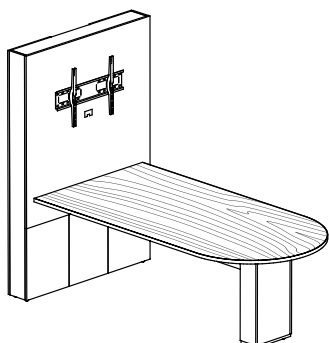

Our standard configuration is: 2 Power Outlets, 1 USB Dual Charger and 1 Open Port, customizable configurations available upon request.

Hardwire infeed is available upon request from Customer Service.

BASE STYLES

30"H Laminate Base

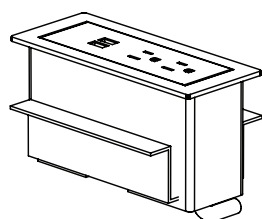

36"H Laminate Base

42"H Laminate Base

Laminate, Medium: Hinged access door on each rectangular panel base with horizontal J channels on the interior of the laminate stretcher connecting the rectangular bases.

POWER OPTIONS

Flush Mount Power

The Flush Mount Power Module offers a completely integrated single-piece cover, eliminating dust and debris catching in grooves.

It has a single plug-in 120" power cord with a UL Listing. This unit comes standard with a black bezel and black faceplate, with additional options in white and silver.

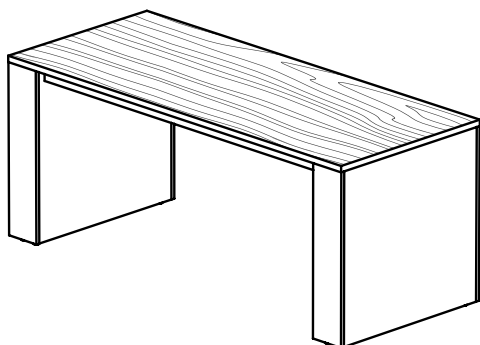

This unit is only available in one configuration, however it is available with two other mounting applications upon request.

2 Power Outlets, 2 USB Dual Chargers

For vertical wire management, we recommend CordJacket™. Horizontal J channels can be added upon request at a small upcharge to the underside of the surface.

POWER OPTIONS

Flush Mount Power

The Flush Mount Power Module offers a completely integrated single-piece cover, eliminating dust and debris catching in grooves.

It has a single plug-in 120"L power cord with a UL Listing. This unit comes standard with a black bezel and black faceplate, with additional options in white and silver.

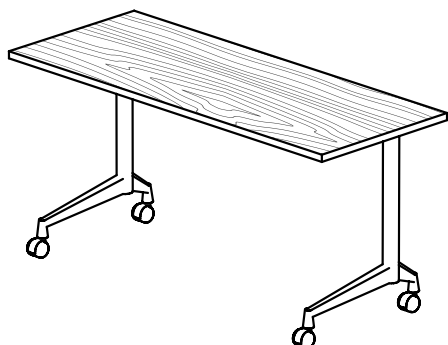

This unit is only available in one configuration, however it is available with two other mounting applications upon request.

2 Power Outlets, 2 USB Dual Chargers
